The Aviva Women's Tour is Britain's biggest professional women's cycle race. This year it features five stages of action packed cycling with stage 2 passing through the Warwick district on Thursday 16 June. Starting in Atherstone at 10am, the race is due to reach Kenilworth at 10.49am, Warwick at 11.05am, and finish in Stratford around 2pm.

Kenilworth town centre will host its weekly market from 9am, with additional entertainment and sport themed stalls as we eagerly await and celebrate the arrival of the race!

Where possible, information can be made available in other formats, including large print, CD and other languages. Please call 01926 456012.

KENILWORTH WELCOMES
AVIVA Women's Tour

Thursday 16 June 2016

ROAD CLOSURES
To minimise disruption, the 'Women's Tour' will be supported by a rolling Road closure and the National Police Escort Team. This allows the roads to re-open once The Tour has passed through and is being managed by Warwickshire County Council.

To support the tour, motorists will be advised to remove their cars from the route on race day. This includes blue badge holders.

You will not be able to remove your car whilst the race is approaching or passing. When the final support vehicle has passed the rolling road closure will cease.

BUSINESSES AND PLACES OF WORSHIP
Parking and loading will be restricted along the route. You should let your customers and deliveries know in advance if possible, so that they can find alternative access and/or parking. Please think about your regular activities during this time and how a road closure might affect them – this will help you to minimise disruption.

DRIVERS
The cyclist's average speed on the tour is 24 miles per hour.

If you end up behind the race, please be patient. There will be no scope to overtake. If possible it is recommended you consider an alternative route if you have any planned journeys that may be affected.

PUBLIC TRANSPORT
Expect delays to buses and taxis and allow extra time for your journeys. Contact your bus operator for further details.

CAR PARKS
All Warwick District Council car parks will remain open. Square West and Abbey End car parks will have limited access once the race is passing, so if you plan to drive in, please arrive as early as possible.

Why not pop out and cheer the cyclists on? Sprint points will be up for grabs on Warwick Road, with the chance to watch some wheel to wheel racing. The timings below show what time the first support vehicle is expected to reach the town. The cyclists follow shortly after. The race will take around 40 minutes to pass through the town from start to finish.
